Bender and Dancer move-in schedule

Here's a step-by-step list of what to do to get moved in smoothly.

- Park in a lot near your residence hall. (See map)
- Lock the vehicle and head for the hall.
- Remember to bring your ID card with you - you will need this to check in to your room.
- Remember to bring the Emergency Contact Information Form to check in on move-in day.
- Follow the signs in your hall to the check-in area, where you will receive the following:
    - Room and outside door keys
    - Panther Planner
    - Room Condition Report
    - Other important information
- Go to your room. Confirm that the room key works. (Go back to the check-in area if there is a problem.)
- Locate the nearest outside entrance (so you know where to park to unload).
- If you find a parking spot on the street, please unload and immediately move the vehicle to a nearby parking lot to give others a chance to unload.
- Obtain information about registering for ResNet, UNI's on-campus Internet connection, by visiting the ResNet website (http://www.uni.edu/resnet).
