Join our team!

Welcome to the Department of Residence! We are excited you are considering joining our team. As a member of the DOR team, you serve as an extension of UNI?s mission to educate ? to recruit, retain and graduate students.

The DOR is home to over one third of all students enrolled at UNI. Students who reside on campus enjoy safe well-maintained housing facilities, high-quality all-access dining services, and a programmatically meaningful residential experience. Because of their positive experiences while living with us, nearly half of our residents return for another year.

The DOR staff includes nearly 200 permanent employees and over 1,000 student employees. We strive to be a principle driven, student centered, collaborative and collegial team committed to making a difference in the lives of students during their tenure at UNI.

We hope you decide to apply for employment with the DOR. If I can ever be of any service to you please don?t hesitate to call on me. I welcome your recommendations regarding how we can make the DOR the best that it can be for the students we serve and the individuals we employ.

Again, welcome!
