

UNI Study Abroad Transfer Course Pre-Approval Instructions

The **PURPOSE** of this form is:

- 1.) to identify the Study Abroad college and/or program you have selected
- 2.) to secure an agreement between you and UNI that, upon successful completion, specific courses taken abroad will satisfy UNI degree requirements
- 3.) NOT to be a precise list of what you will definitely take, rather to provide you with evaluations of courses you **MAY** take while abroad

STEPS:

- 1.) **Review your UNI Degree Audit** with your advisor and identify areas you need to complete for graduation
- 2.) **Research the program** you wish to attend and determine courses you may be eligible to enroll in (using [www](#) or transfer college catalog)
- 3.) **Complete the Study Abroad Transfer Course Pre-Approval Form**
 - a. List transfer college course numbers (if applicable)
 - b. List exact course titles from Study Abroad school
 - c. Identify the number of international credits awarded for each course
 - d. Identify which UNI course you are trying to satisfy (if applicable)
 - e. Identify whether you are looking for major, minor, LAC or elective credit
- 4.) **Print and attach the course descriptions** for each course listed
- 5.) **Obtain approvals** as follows:
 - a. **Major/Minor/Certificate Credit** – Departmental Approval
 - b. **Liberal Arts Core** – Enrollment Services (ES): Admissions
 - c. **General University Electives** – ES: Admissions
- 6.) **Return completed Study Abroad Transfer Course Pre-Approval Form to ES: Admissions** – Towers 130 for final approval and record keeping.

PLEASE NOTE:

Final decisions regarding the application of credit toward UNI degree requirements can be made only after the student returns from their Study Abroad experience and official transcripts have been received and evaluated. ***It is a good idea to bring back course syllabi and final papers for all courses completed.***
