Issues Involved in Preparation of an Objective Test of Critical Thinking	41

Criteria for Selection of Problem Materials	45
Criteria for Development of Test Items	46
Development of Test of Critical Thinking in the Social Sciences	47
Typical Test Items of Critical Thinking in Social Science	50
Summary of Research Data Concerning the Test of Critical Thinking in Social Science	55
Development of an Instructional Handbook	65
Summary	66
4. OBJECTIVES IN COMMUNICATIONS	68
The Critical Incident Study	70
The Theme Analysis Handbook	85
Speech Analysis	91
Objective Testing in the Communications Area	94
Research Data from the Test of Critical Analysis in Reading and Writing	96
Summary and Implications	101
5. OBJECTIVES IN SCIENCE	102
Importance of the Ability To Read Science Articles ..	104
The Problem of Content	105
Further Elaboration of the Selected Objectives	107
The Scientific Point of View	112
The Development of Evaluation Instruments	114
The Physical and Biological Science Tests	119
Concern about Non-objective Materials	120
Research Aspects of the Project	124
Conclusions and Implications	136
6. OBJECTIVES IN THE HUMANITIES	139
Common Objectives of Humanities Courses	142
The Humanities Participation Inventory	143
Attitudes toward the Humanities	145
Humanities Vocabulary Test	149
Critical Analysis and Judgment in the Humanities ..	151
Research Results	159

7. PERVASIVE OBJECTIVES 1: CRITICAL THINKING	174
The Objective of Critical Thinking	176
A Brief List of Critical Thinking Abilities	179
Review of Related Tests	181
The Specifications for a Test of Critical Thinking ...	183
The Development of a Test of Critical Thinking	186
Research Aspects of the Project	190
Relation to Instruction and Courses	206
Summary	207
8. PERVASIVE OBJECTIVES 2: ATTITUDES	208
The Development of the Inventory of Beliefs	215
Inventory of Beliefs Research Studies	222
The Development of the Problems in Human Relations Test	229
Relationship of the Attitudes Committee to Other Intercollegiate Committees	238
Significance of the Attitudes Projects	239
9. IMPLICATIONS AND UNRESOLVED ISSUES	242
The Four Areas of Contribution of the Study	243
Re-examining the Test Results	244
Effect on Participating Individuals and Colleges	253
Instructional Deficiencies in General Education	255
Student Reactions to General Education	257
The Role of Evaluation	259
The Need for Experimentation	260
The Need for Cooperative Effort	262
A Re-examination of the Role of Objectives in General Education	263
Summary	266
10. WHAT NEXT IN GENERAL EDUCATION?	268
The Inadequacies of Various Integrating Concepts ..	270
Critical Thinking as a Possible Principle of Integration	272
The Status of Knowledge about Critical Thinking ..	279
Some Suggestions	282
