

### A SAMPLE SOA PLANNING MATRIX

A matrix can show the basics of a student outcomes assessment plan in an easily readable manner. The column headings below are suggested labels. Other headings may also be appropriate. This matrix sample can also be found in Appendix L of the Academic Program Review Manual for 2008-2009.

<b>Student Learning Outcomes</b>	<b>Assessment Methods (What, when, who, how)</b>	<b>Desired Achievement Level</b>	<b>Method of Evaluation</b>
<b>Competency 1</b>			
<b>Competency 2</b>			
<b>Competency 3</b>			
<b>Competency 4</b>			
<b>Competency 5</b>			
<b>Etc.</b>
