FACILITIES & SERVICES

On behalf of the UNI Athletic Training Department, we would like to extend our warmest greetings. In preparation for your journey to Cedar Falls, here is some important information that may be of some need to you and your team.

The UNI Athletic Training Department operates two (2) co-ed athletic training rooms. The main athletic training room is located in the **Wellness Recreation Center, Room 168** (next to the *UNI Dome*) and houses all sports except volleyball, wrestling, & women's basketball. Our adjunct athletic training room is located in the **West Gym**. Volleyball, wrestling, & women's basketball are serviced in the West Gym Athletic Training Room.

The athletic training room will be open approximately two (2) hours before the game / contest and for approximately 45 minutes immediately after the game / contest. Each athletic training facility offers a variety of hot & cold modalities, along with hydrotherapy, electrical stimulation, & ultrasound.

If your team is traveling with only a student athletic trainer, a written prescription is required for treatment other than ice & heat. If your team is traveling without an athletic trainer, please notify us in advance. We will be happy to assist your team with its taping & treatment needs, provided that your student-athletes have a written prescription for treatment & provide their own taping supplies.

Water, ice bags, cups, towels, & biohazard supplies will be provided on your sideline & in your locker room. An UNI student athletic trainer will be present on your sidelines should you need further assistance.

A team physician and/or orthopedic surgeon will be in attendance and/or on-call for all games / contests. Vacuum splints, a spineboard & cervical collars, a scoop stretcher, & a "chariot" field chair will be also be available. Sartori Hospital is located approximately two (2) miles away should the need arise.

If you are in need of any additional supplies or information, and/or if we can be of service to you in any way, please do not hesitate to contact us.
