SEARCH THE INTERNET

Use search engines or subject directories (www.library.uni.edu/dbandcat/search.shtml) to search the Internet. Use keywords such as the name of the field plus careers or jobs - e.g. *careers in environmental science* or *jobs in environmental science*. Use phrases such as *what can I do with a major in ...* with the name of the field of interest - e.g. *what can I do with a major in environmental science* or *environmental studies*. Look for categories such as *jobs* or *careers* in subject directories available on the Internet.
