

Co-op/Intern Spotlight

SECRETARY
OF
DEFENSE

Jami

“Interning in Washington D.C. for the Department of Defense was an amazing experience! I was given work that was not only important, but also directly related to my majors of Finance and Real Estate.

Living in D.C. for the summer is an experience I'll never forget. My apartment was located right next to the Supreme Court and only 2 blocks from the Capital building.

Living in a building of all interns was a lot of fun. I experienced so many different cultures and met people from around the world. I would have never been able to have had this great experience if it wasn't for UNI's Cooperative Education/Internship Program!”
