

Mini Solar Car Kit Teacher Questionnaire
(Please return with car kits or payment.)

1. How did you use the car kits? (as a stand alone activity, part of a class, after school program, etc)
2. Did you find the kits useful to your goals as an educator?
3. Did your students enjoy them and have fun learning?
4. What can we do to make our program and kits better? (What should we add, subtract or change?)
5. Additional comments:
