

Culture and Intensive English Program

Dear (Former CIEP Student),

We hope that after attending the CIEP, you have been able to use your English skills in many ways. We also hope that your past CIEP experiences were filled with accomplishment and fun memories.

The CIEP values the ideas, stories, and updates of our former CIEP students because our program is designed to meet the needs of students like you. In order to maintain close connections with our former CIEP students, and as a way to inform others of the experiences that the CIEP has provided to students like you, we are creating former student profiles for our promotional tools such as our Web site, newsletters, and brochures.

We have attached a CIEP Former Student Profile Questionnaire to this letter, which we hope you will be able to complete and return to us so that we can begin to tell other people about your CIEP experiences and what you are doing with the skills that you gained from the CIEP.

We value the decision that you made when you chose to attend the CIEP and we hope that you will now be willing to share your story with others who may also be interested in the program.

If you have any questions, please feel free to contact Carolina Coronado at the CIEP Office.

Best wishes,
