

Goals vs. Objectives

Goals

- Broad Statement of Purpose
“My students will improve their math skills.”

Objectives

- Specific observable skills
“On a worksheet, 2nd grade students will correctly solve 7 out of 8 single-digit addition problems.”

Web 2.0 and Digital Natives

Leigh E. Zeitz
Educational Technology and Design
Spring, 2010

Millennials (Gen Y)

- Born 1982 – 2004
- Used to working in teams
- Work well in diverse coworker situations
- “Can-do” attitude about tasks
- Looking for frequent feedback.
- Seek leadership and structure
- Most networked generation in history
- 75,000,000 Millennials joining the workforce

We need to teach our
kids for their futures . . .
. . . not our pasts.

Daniel Pink

Blogging in the Classroom

- Space to share opinions
- Provides voice for students
- Foster ownership and choice
- Authentic learning/audience
- Collective and collaborative learning
- Engages conversation and learning
