

**Global Forum for Physical Education Pedagogy 2010 (GoFPEP 2010)**  
**Grundy Center, Iowa, USA, 13-14 May, 2010**

We are pleased to invite you officially as a distinguished VIP and honorable guest in the Global Forum for Physical Education and Pedagogy 2010 (GoFPEP 2010). The theme of this unique forum is “Revitalizing Health and Physical Education through Technology.” This important international event is scheduled for Thursday, May 13 and Friday, May 14, 2010 and will be held in Grundy Center, Iowa, USA. You have been invited among a select group of 71 professors, researchers, administrators and government officials from 30 countries and regions around the world.

World wide, health and physical education teacher preparation programs need to be rethought and reformed. GoFPEP 2010 will provide unique opportunities for professional enhancement drawing together leading educational experts from throughout the world. A unique contextualized model of physical education teacher preparation embedded in community life will be explored. Further, GoFPEP 2010 will highlight ways in which technology can be employed in the teaching of physical education. GoFPEP 2010 will involve the crafting of a global consensus statement focused on “Health and Physical Education Pedagogy in the 21<sup>st</sup> Century.” It is the objective of the Forum to stimulate interest globally on this unique model of health and physical education for future diffusion to various communities and school systems throughout the world.

GoFPEP 2010 is being organized by the University of Northern Iowa (Cedar Falls, USA) and the Grundy Center (Iowa, USA) Community Schools. The University of Northern Iowa dates its Department of Physical Education back to 1898 and the Grundy Center Community School Physical Education Program has been recognized as one of America’s most outstanding.

GoFPEP 2010 has invited voices from throughout the world in a dynamic program providing the opportunity to discuss the future of health and physical education pedagogy. Welcome to Grundy Center and sample the ‘good life’ of a small community in the mid west of the U.S. Should you need to contact me, I can be reached at 1-319-273-6412 (Office) or by email at [ming-kai.chin@uni.edu](mailto:ming-kai.chin@uni.edu)

Sincerely yours,

Prof. Dr. Ming-kai Chin
