The National Residence Hall Honorary is a service of the National Association of College and University Residence Halls (NACURH). It is designed to give local, regional and national recognition to students making outstanding contributions to their residence halls.

NRHH is the only nationwide organization that recognizes residence hall leaders. Membership in local chapters is limited to one percent of the school's residence hall population.

The NRHH diamond-shaped logo signifies the value and beauty one finds in their residence hall experience.

The three interconnected links represents caring, dedication and participation. Together the unbroken chain symbolizes the never-ending leadership of NACURH and membership in NRHH.

In the interest of "going green," we've printed a limited number of programs for each table. If you would like to have your own copy, please go to the DOR CommUNITY website (www.uni.edu/dor/community) and click on the link to download. Thank you!
