## Step 5 Check Out

When finished making your order, click the “Proceed to Check Out” button. You will see a summary of your order.

*CateringMadeEasy* orders accept payment by UNI account transfers, cash, check, payroll deduction or credit card. Economy orders from Piazza or Rialto can only be paid by a UNI account transfer.

Complete the billing information. Fields marked with an asterisk are required. Note that payment made from a UNI budget account requires the 29 digit account number. This format does not use spaces or other punctuation. Using the drop down, choose the correct Object Code in the payment type field. The system will validate for correct card number length and object code. For Foundation Account numbers, use the 6 digit extension in the Foundation Number field.

Click “Complete Order” button. If an error was made, it will be described in red at the top of the page.

## Step 6 Submit Order

Review the order. Correct if needed. (Note that if changes are made, billing information needs to be added again.) When satisfied, click “Submit Order.” Your order can be printed at that time using the prompt on the screen. In a few minutes, you should receive a confirmation email.
