## Welcome Back RA Alumni!

What a job! Being an RA is an amazing opportunity to lead and succeed. Your impact in that role extends beyond the years you spent here as a student. We hope you will choose to re-connect with the Department of Residence by completing the sign-in/interest form on this page. We'll keep you informed of DOR topics and opportunities to continue your positive influence on the university community.

If you have feedback, please contact [pat.beck@uni.edu](mailto:pat.beck@uni.edu)
