Students living on-campus are able to move in beginning 8 a.m. the Friday before the first day of the semester.

Make move-in go smoothly:

- Park in a [lot](#) near your residence hall; if you find a parking spot in a lot not valid for your permit or on the street, unload and move your vehicle as quickly as possible to a nearby valid parking lot to give others a chance to unload.
- Bring your UNI ID ? you will need this to check-in to your room. If you haven?t gotten your UNI ID yet, visit the Department of Residence office in Redeker Center to obtain one.
- Bring the [Emergency Contact Information Form](#) to check-in.
- Follow the signs in your hall to the check-in area, where you will receive important information along with your room keys, Panther Planner and room condition report.
