The conference book will be available by downloading the PDF file here: [25th Annual UNI RA Conference Booklet](#)

In addition, we will be using Guidebook once again. This will be able to be downloaded starting January 20, 2015, by going to the app store and searching for Guidebook. You will then search for "25th Annual UNI RA Conference Back to the Future." Pictures can be downloaded in this app and all program changes will automatically update within this system.
