

[Home](#) > Replacing Lost UNI ID card

For your protection, lost cards should be reported immediately to the university. You will be held responsible for any purchases made with your card until the card is reported lost or stolen. Report lost or stolen cards online by clicking on the Life @ UNI tab in [MyUNIverse](#) and then using the link under Report My ID Card lost.

Lost card vouchers are issued to enable you to eat meals in the dining centers if you have a meal plan. For your protection, lost card vouchers may not be used for credit purchases.

If you find your card, you may get it reactivated in the Department of Residence office Monday through Friday, 8 am - 4:30 pm. If you do not find your card, you will need to purchase a new one for \$25. You will need a photo ID to obtain a new card.

Replacement cards are available at the Department of Residence office in Redeker Center.

Directions to Redeker Center (#44 on map):
