Current Students.....	57
Alumni.....	198
Alumni Educators	45
Student Teaching Placements	3
NCAA Student Athletes	4
Business & Community Services Clients	6

Provides an integrated approach to meeting the needs of businesses, entrepreneurs and communities throughout Iowa and beyond. BCS leverages the intellectual capacity and practical experience of faculty, staff and students to solve the problems of its external constituents through specialized training and technology transfer, small business counseling, market research and analysis, innovative educational and technical advice related to the environment and environmentally sound practices, and hands-on community and economic development guidance.

UNI Outreach Activities in Humboldt County

Center for Social and Behavioral Research (CSBR)

Conducts original research and provides research-related services for community, state, and federal agencies.

Gallagher-Bluedorn Performing Arts Center (GBPAC)

Offers innovative programs and services designed to provide quality arts education experiences to individuals, families, and communities throughout the state.

Geographic Alliance of Iowa (GAI)

Works to improve the teaching of geography concepts and content by helping to develop high quality teaching materials and the training to use them.

Institute for Decision Making (IDM)

Serves as an economic and community development resource that guides local leaders as they make decisions and take organized action to improve their communities through results-oriented initiatives.

Institute for Educational Leadership (IEL)

Promotes the improvement of elementary, secondary, and post-secondary education throughout Iowa by serving as a catalyst for informed dialogue on educational issues impacting schools, developing collaborative relationships with individuals and/or organizations external to schools, and educational policy development.

Integrative Services Project (ISP)

Works to enhance the safety and sobriety of battered substance abuse women by ending discrimination in service provision through research, agency education, technological support, and collaboration among service providers.

Iowa Center on Health Disparities (ICHHD)

Provides a field-based training program that improves the cultural competency of health pre-professionals while increasing access to health programs for under-served and diverse populations.

Iowa Center for Immigrant Leadership and Integration (ICILI)

Guides and prepares Iowa communities and businesses as they accommodate immigrant and refugee newcomers living and working in Iowa.

Iowa Waste Reduction Center (IWRC)

Serves small businesses by providing assistance with environmental regulations, waste reduction, and the latest environmental technologies.

Regional Business Center (RBC)

Offers technical, financial, and support services through classes, counseling, and a business resource library for Northeast Iowa entrepreneurs.

Sustainable Tourism and Environment Program (STEP)

Provides an opportunity to join community and University resources in developing tourism opportunities which enrich our social and cultural heritage, environmental quality, and economic well-being.
