Awarded by the University Honors Program to high school seniors with a history of outstanding academic performance, along with personal involvement in leadership and service activities.

NCAA Student Athletes 4

Distance Education Courses 4

Through the Office of Continuing Education and Special Programs, UNI offers off-campus distance learning opportunities, including ICN courses, to serve Iowans throughout the state.

Distance Education Enrollments 5

Business & Community Services Clients 7

Provides an integrated approach to meeting the needs of businesses, entrepreneurs and communities throughout Iowa and beyond. BCS leverages the intellectual capacity and practical experience of faculty, staff and students to solve the problems of its external constituents through specialized training and technology transfer, small business counseling, market research and analysis, innovative educational and technical advice related to the environment and environmentally sound practices, and hands-on community and economic development guidance.

UNI Outreach Activities in Plymouth County

Center for Economic Education (CEE)

Works to increase the quantity and enhance the quality of economic education programs from kindergarten through college by conducting programs for teachers and working with school district officials to distribute appropriate curriculum materials.

Center for Social and Behavioral Research (CSBR)

Conducts original research and provides research-related services for community, state, and federal agencies.

Gallagher-Bluedorn Performing Arts Center (GBPAC)

Offers innovative programs and services designed to provide quality arts education experiences to individuals, families, and communities throughout the state.

Geographic Alliance of Iowa (GAI)

Works to improve the teaching of geography concepts and content by helping to develop high quality teaching materials and the training to use them.

Institute for Educational Leadership (IEL)

Promotes the improvement of elementary, secondary, and post-secondary education throughout Iowa by serving as a catalyst for informed dialogue on educational issues impacting schools, developing collaborative relationships with individuals and/or organizations external to schools, and educational policy development.

Iowa Center on Health Disparities (IChD)

Provides a field-based training program that improves the cultural competency of health pre-professionals while increasing access to health programs for under-served and diverse populations.

Iowa Center for Immigrant Leadership and Integration (ICILI)

Guides and prepares Iowa communities and businesses as they accommodate immigrant and refugee newcomers living and working in Iowa.

Iowa Waste Reduction Center (IWRC)

Serves small businesses by providing assistance with environmental regulations, waste reduction, and the latest environmental technologies.

National Program for Playground Safety (NPPS)

Serves as a public resource for the latest information on playground safety and plays an active role in injury prevention on playgrounds.

Regional Business Center (RBC)

Offers technical, financial, and support services through classes, counseling, and a business resource library for Northeast Iowa entrepreneurs.

UNI Museums

Offers events and programs to heighten student and public awareness of environmental and cultural diversity and serves as a forum for the discussion of global issues.

2+2 Program

Allows students to complete two years of a teacher education program through community college courses and then two years of classes taught by UNI faculty on location at the community college.
