

# University of Northern Iowa

# Honors Week

April 13-18, 2009

## Participating Organizations

### **Alpha Delta Chi**

A chapter of Pi Sigma Alpha, a national political science honor society.

### **Beta Gamma Sigma**

A national honor society for business majors at AACSB-accredited universities. Members are invited based on outstanding academic performance.

### **Golden Key International Honour Society**

An academic honor society that recognizes and encourages scholastic achievement and excellence among college and university students from all academic disciplines. In an effort to reflect the Society's diversity and international presence, Golden Key uses the globally accepted spelling of "honour" in its name. Membership is by invitation only.

### **Kappa Delta Pi**

An international honor society promoting excellence in teaching in all areas of education.

### **Kappa Mu Epsilon**

An honor society for mathematics majors. Membership is based on outstanding achievement in the study of mathematics at the undergraduate level.

### **National Society of Collegiate Scholars**

A national honor society for students of all disciplines, focusing on scholarship and service. Members are invited based on outstanding academic performance during the first and/or second year of college.

### **Omicron Delta Kappa**

A junior and senior student honor society that recognizes students for their achievements in scholarship, leadership and service activities.

### **Phi Eta Sigma**

An academic honor society that performs monthly social and service events. Members are invited based on outstanding academic performance in their first semester of college.

### **Phi Upsilon Omicron**

A national honor society which recognizes and encourages academic excellence and leadership development of students majoring in Design, Textiles, Gerontology, & Family Studies.

## CELEBRATING ACADEMIC EXCELLENCE

### **Psi Chi**

A national honor society in psychology. Psi Chi was founded for the purposes of encouraging, stimulating and maintaining excellence in scholarship; and advancing the science of psychology. Membership is open to graduate and undergraduate psychology students who meet minimum qualifications.

### **Sigma Delta Pi**

A national Spanish honorary designed to promote the study of the Spanish language and Hispanic culture and literature.

### **Sigma Gamma Epsilon**

A national honor society to recognize scholarship and professionalism in the earth sciences. Members are invited based on interests and scholarship.

### **Sigma Pi Sigma**

A national honor society that recognizes the academic achievements of physics students. The group serves the physics department and meets to discuss current topics.

### **Sigma Xi**

An honor society for scientists and engineers that fosters worldwide interactions among science, technology and society. Sigma Xi is a faculty organization that sponsors a number of activities.

### **University Honors Program**

The Honors Program offers challenging and engaging classroom experiences, interaction with faculty, and social connections with other capable students.

### **Upsilon Pi Epsilon**

UPE recognizes academic excellence at both the graduate and undergraduate levels in the computing and information disciplines. UPE is a member of the Association of College Honor Societies (ACHS) and is the first and only existing international honor society of the computing and information disciplines.
