

Workshop Reflections: Think - Pair - Share

Questions:

1. What is Inquiry? How can you use the 5 Essential Features in planning a classroom lesson?
2. HOW did we use technology these two days? WHY did we use it? HOW could you use similar technology in your classroom? (include WebQuests in your discussion)
3. What part of what we did these 2 days can you use in YOUR classroom? What roadblocks would you have in using the activities?
4. How will you use Inquiry in your classroom?
