

## Welcome to UNI!

Dear Student,

Welcome to the University of Northern Iowa (UNI)! On behalf of the UNI community, I thank you for your decision to study here at UNI. To make the most of your time at UNI right from the beginning, it is extremely important that you attend the orientation sessions during the week prior to the start of your first semester on campus. It is intended that this week of orientation, along with the ongoing support of the International Services Office, will enable you to feel welcome and comfortable, and to be successful at UNI.

We have designed sessions to help you learn how the University works, how to find and use resources that will help you be a successful student, how to protect your immigration status, and how to adjust to life in the U.S. You will have the opportunity to register for classes, open a bank account and learn about how to find a job on the UNI campus. You will have a chance to go shopping, and will have plenty of time to have fun getting to know other international students! We believe the program will serve you well and we look forward to your participation.

Please read the enclosed schedule very carefully, and please do not hesitate to ask questions about the activities and sessions that have been planned for you. We look forward to meeting you when you arrive in Iowa, and to helping you get to the residence hall or apartment where you have chosen to live. Please schedule your travel based upon the information provided in the "Important Points to Remember" pages of the enclosed schedule.

I look forward to meeting you in January!

Sincerely,

Ross Schupbach, International Student Advisor

## **IMPORTANT POINTS TO REMEMBER**

- Make your travel plans so that you arrive on campus on January 4 or January 5. **Please do not arrive any earlier!** **UNI will be closed for the winter break, which means that many services will not be available and residence halls will not be open until January 4.** It will be much better to arrive later if you cannot arrive on January 4 or January 5.
- Please send us your arrival information as soon as you know your travel plans by using the form available at this site: **<http://www.uni.edu/internationalservices/arrivalform.shtml>**. If you have difficulty with the web form above, you may send an e-mail message to **ross.schupbach@uni.edu** to report your arrival information.
  - We will arrange for airport pickups for those students arriving at the nearby Waterloo airport (ALO). **We strongly recommend use of the Waterloo (ALO) airport.** All flights into the Waterloo airport depart from the Minneapolis-St. Paul airport (MSP), a major U.S. air transportation hub. If you are working with a travel agent to schedule your flights, please ask him/her to first book travel to arrive in MSP, then reserve a connecting flight on Northwest Airlines (NW) or Delta Airlines (DL) into Waterloo (ALO). International Services will arrange for transportation from the Waterloo airport to your residence hall, apartment, or hotel when you arrive on or after January 4. The driving time from the Waterloo airport to the UNI campus is approximately 9 minutes.
  - If it is absolutely impossible for you to arrive at the Waterloo Airport, we will be able to make arrangements for your transportation from the Cedar Rapids/Eastern Iowa Airport (CID). This airport is located much further away from UNI in the city of Cedar Rapids, Iowa. The driving time from the Cedar Rapids/Eastern Iowa Airport to the UNI campus is approximately 90 minutes. If you wish to arrange and pay for your own transportation from the Cedar Rapids/Eastern Iowa Airport, please visit **[www.crshuttle.com](http://www.crshuttle.com)** or e-mail **crshuttle@yahoo.com** to arrange for shuttle service. If you choose to do this, please send an e-mail message to **ross.schupbach@uni.edu** indicating that you have done so.
  - Even if you plan to arrive on campus without our transportation assistance, we still need to know when you will be arriving. Please use the form mentioned above to report your arrival date and approximate time, and to alert us that you will not need assistance with airport transportation.
- To report delays, flight changes and other information during your trip, please call the **International Services emergency cell phone number at 319-269-7278.**
- It is your responsibility to make your own housing arrangements before you arrive, unless you would prefer to stay temporarily in a local hotel while you make long-term arrangements. Local hotels will cost approximately \$100 per night. A residence hall application, or “contract”, must be submitted before you arrive if you wish to live in a UNI residence hall. For those who are eligible for a UNI apartment, an application form is required before you arrive. For more information about housing options, go to <http://www.uni.edu/dor/housing.shtml>.

## **MORE IMPORTANT POINTS TO REMEMBER**

- Please note that you can bring your own linens or you may purchase a full set (bed sheets, pillow, pillowcase, blanket, towel and washcloth) upon arrival for \$45.
- International Services will pay for residence hall housing from January 4 through January 8.
- For eligible students who have arranged to live in UNI Apartment housing, please note that these apartments are not furnished. You will need to obtain a bed and other furniture when you arrive.
- As soon as possible after you arrive on campus, please bring your travel and immigration documents to the International Services Office in 113 Maucker Union, in the center of the UNI campus. International Services is located inside building number 27 (Maucker Union) on the campus map available at <http://www.uni.edu/infosys/campusmap/index.shtml#>. We are on the upper plaza level. Office Hours are 8:00 a.m. until 5:00 p.m., Monday through Friday.
- During Orientation, we will pay for two lunches and four dinners. You will be responsible for paying for all the other meals before the start of classes. Restaurants and eating establishments on College Hill (adjacent to campus) and limited on-campus facilities will be open for meals and snacks.
- A mandatory New Student Program fee of \$157 will be charged to your account. This fee is required for **ALL** new international students with no exceptions. This fee funds services that are available especially for new UNI students.
- Graduate students are not assigned a specific registration time. They should contact their respective departments prior to arrival and arrange for a time to meet with a faculty advisor for assistance in this process.
- **ALL** new international students must be screened for tuberculosis (TB). This screening will take place on Wednesday, January 13. There is a \$118 fee for this testing. All or part of this fee may be covered by your health insurance coverage, including the UNI Student Health Insurance Plan.
