

To Graduating and Departing Students:

Congratulations on your accomplishments while at the University of Northern Iowa. We feel fortunate that you decided to study at UNI and we thank you for all that you brought to our campus. **We will miss you.**

Please take some time to fill out the following form. We would like to hear about your future plans and to have a permanent address on record. We try to publish a yearly alumni newsletter with updates on what is happening on the campus and with International Services. Most importantly, we hope that you will take some time to let us know about your experiences at UNI and any suggestions you may have on how we can help future students adjust and be successful.

Please return this form to us at the International Services Office before you leave. **THANK YOU, Kristi Marchesani, Assistant Director of Admissions/International**
