Find answers to common questions, use our helpful "how-to" sheets at

Online Learning & Teaching Feb. 19-Mar. 2
See story page 2.

Spotlight on Educational Technology Conference

Join us on Friday, February 23, in the Lobby of the Schindler Education Center on the University of Northern Iowa campus for the second annual Spotlight on Educational Technology. The day will include:

- **UNI Faculty Spotlights**
Hear from UNI faculty who utilize technology in their courses. Faculty presentations are scheduled from 9 am - 2:00 pm. See page 2 for a list of faculty and topics.
- **Showcase on Educational Technology 2000-2001 winners**
23 PreK-12 winners
1 higher ed/PreK-12 winner
Table displays by each team
Hear presentations by the teachers and students of the award-winning projects. Visit individually with the teachers and students involved in the award winning projects.
- **Vendor Displays**
See displays and product presentations by major educational technology companies.
- **Open House at the Center for Educational Technology**
See the latest educational technology equipment being tested and used by ITS-ET staff and others. Attend presentations by leading educational technology vendors.

Spotlight on Educational Technology Conference
Friday, February 23, Schindler Education Center

The Spotlight on Educational Technology Conference is sponsored by the ITS-Educational Technology department at UNI. For up to the minute details visit <http://www.uni.edu/ietti/spotlite.html>.

The Showcase project is sponsored by the Iowa Department of Education, Iowa Public Television and the Iowa Educational Technology and Training Institute (IETTI) at the University of Northern Iowa with partial funding from the U.S. Department of Education Star Schools project. Questions about the Spotlight Day may be directed to Doreen Hayek, Projects Administrator (319) 273-7300 or email: doreen.hayek@uni.edu

Learn more about online education

ITS-ET is once again offering the popular Online Learning & Teaching mini-course. In this two week mini-course about online learning and teaching participants will experience the student point of view of online learning while learning about and discussing online teaching with colleagues. The mini-course will be conducted entirely on the web using WebCT with no face-to-face meetings. There is no charge to UNI faculty and staff for this mini-course. The last session for this semester will be conducted February 19-March 2. For more information or to register visit <http://fp.uni.edu/its/et/idd/olt>.

UNI faculty/staff spotlight presentations

Eleven UNI faculty and staff will be presenting at the Spotlight on Educational Technology Conference February 23 in the Schindler Education Center. UNI presentations will be in SEC 130. See main story on page 1.
