These are ideal for a lab, for one-to-one computing, and for faculty mobility needs. Wireless connectivity is built into them. The Tablets have been used for workshops and seminars and are in excellent shape. Any quantity may be purchased.

If interested, please call or e-mail Jason Vetter, 3-6730, [jason.vetter@uni.edu](mailto:jason.vetter@uni.edu), to make an appointment to look at them. If interested in purchasing one or more, please complete the information below and return to Marilyn Drury, 107F, ITTC, by April 1, 2008, or e-mail the information below to [marilyn.drury@uni.edu](mailto:marilyn.drury@uni.edu). These will be sold on a first-come basis. The sale will only occur if there is enough total campus interest in the purchase of 70 or more units.

Tablets will be available on June 10, 2008.
