Available Google Apps

Google Apps

Google Apps for Education Core Services Include:

Google Email (Gmail) - [<http://google.uni.edu/email> [1] or <http://email.uni.edu> [2]]

30 GB of storage is available for Gmail, Drive (see below), and Google+ photos combined. Gmail is securely powered by the web, so you can be productive from your desk, on the road, at home, and on your mobile phone.

Google Talk

Gmail's instant messaging service that provides both text and voice communication.

Google Calendar - [<http://google.uni.edu/calendar> [3]]

With Google Calendar, you can schedule meetings and events with your friends and classmates.

Google Drive - [<http://google.uni.edu/drive> [4]]

With Google Drive, you can easily collaborate on documents, spreadsheets, slide-show presentations, forms, and even drawings. Your docs are stored securely in the cloud where anyone you share them (but only those people) with can work on them?either individually or all at the same time.

Google Groups for Business

Communicate and collaborate with groups of people. Manage access to your documents, sites, and calendars.

Google Sites - [<http://google.uni.edu/sites>]

[5]

With Google Sites, you and your team can easily build and publish internal web sites. Use a WYSIWYG editor or work directly with HTML. You can even embed Google calendars and other gadgets on your site!
