Carlin's Corner - con't

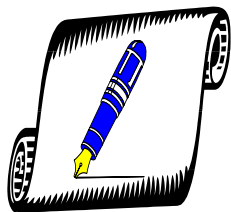

A. If I fill my life with non-work activities, I find I'm actually more efficient at work.

B. I work best under pressure, if I relax too much, I'll accomplish less.

A. The harder I work, the more respect I'll get.

B. The person who wins the rat race is still a rat.

AUGUST PROGRAMS -Carlin Hageman SEPTEMBER PROGRAMS ???

CARLIN'S CORNER

It seems like Summer is a slow time for Sertoma News. However, for Cedar Valley Sertoma, there was plenty of hard knocks. We lost two of our members this summer - **Lloyd Berry and Marie Robinson**. That's more than enough news for an entire summer.

As soon as we can confirm a date with the East Iowa Governor, we will have **installation of 2005-2006 Cedar Valley Officers**.

There is a **survey attached to the newsletter** email regarding meeting times and places that I would like to have returned to Donna or brought to a meeting during the month of August. The Board will be reviewing the results of that survey and bringing the data to the business meeting in September.

Something to Consider:

What's Your Work/Life Balance Point of View?

Which perspective that best matches your current feelings about work/life balance?

A. If you're passionate about what you do, work/life balance isn't an issue.

B. No one ever died regretting she didn't spend an extra day at work.

Board – con't

Carlin reported he is currently conducting a survey of interests and emphasis for club members.

The Board pondered possible alternative meeting times and places for 2005/2006. It was suggested that the Club ask Dorothy for a list of possible lunches and that the club choose its favorites from among those (with an option for a “surprise” lunch every other month).

Carlin reported he is currently conducting a survey of interests and emphasis for club members

Note: Survey Carlin mentioned in his “Corner” was not attached – will send under separate cover when it is received.
