BOARD ACTION and BUSINESS MEETING

Because the July newsletter advertised our **first evening meeting as August 8** (instead of

Aug. 1) it was decided to keep the date of August 8 and change our evening meetings to the second Tuesday of the month.

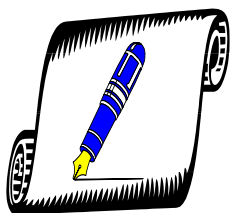

Free meals will continue as there seems to be enough money in our General account.

There will be a **Sertoma booth at the Iowa State Fair**. Hearing screenings will take place in addition to passing out information about Sertoma. If anyone would like to work a shift, let Carlin know.

It was decided to use money in the General Account to **pay for registration and transportation** to promote and encourage as many members as possible to attend the **FALL DISTRICT CONFERENCE IN AMES** this fall.

Donna Hanson of AEA 267 will help us publicize Camp Sertoma near Brainard, MN. with the hearing impaired community. Sertoma will try to provide scholarships for those wishing to attend next year.

It was decided to sponsor a local team wishing to use a patriotic theme for next year's Solar Sprint races held at UNI. Donna will communicate with Pat Higgins (Environmental Science).

ROBERT'S RULES

We have heard excellent programs by two ladies from AEA267: Donna Hansen and Julie Klenske. We need to know more about their work because they are our only access to the hearing impaired community, other than UNI Speech and Hearing. I will encourage both ladies to join the club. However, it is also important that all of you bring guests to meetings so they can learn about Sertoma. Remember, we have a great fund raising program and are looking for more appropriate places to spend our money., But all of this will fail if we do not maintain our membership. **OUR GOAL IS TO ADD A NET TEN NEW MEMBERS THIS SERTOMA YEAR!!!!**
