MICHELLE'S MAGIC

Hello all! Summer is winding down and Labor Day will be here before we know it! We've had a good start to our year with the new structure for meetings, and financially we are sitting well. Regarding the future of the Cedar Valley Sertoma club, we have had some discussion about merging with one of the Lion's clubs in the area due to our low membership. Further information will be coming on that issue but I would like all of your input too. Scholarships are set for the UNI speech-language pathology students and we are looking into how to connect with our deaf and hard of hearing population for that scholarship. We would like to have some sort of reception or special event to recognize the recipients of the scholarships, so that is in the works as well. In addition, our thoughts and prayers are with Bob Robinson as he recovers from a fractured knee cap - hope to see you at the meetings Bob!

BOARD ACTION and BUSINESS MEETING

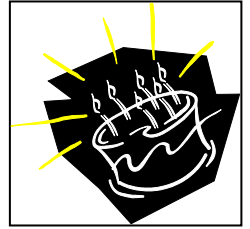

Scholarships were discussed – both for the hard of hearing children and for the UNI Speech-language students. Applications for both were reviewed and ok'd, but wanted input from Jessica Olson (faculty at UNI) regarding how to contact the students. It was decided to have the selection committee for the SLP student scholarship include one person from the Department, one staff or faculty from UNI and one Sertoman. We will distribute the SLP scholarship applications at the beginning of the year to all students in the department.

Note: Donna talked with Bob Robinson's neighbor whose husband is a member of the **Lion's Club**, except his group meets in the evening in Waterloo at the Hwy 63 Diner. Most of their members are CF residents though. They are to give me a contact name for a Cedar Falls Lions group that meets over the lunch hour, which I thought might be a better fit for most of our group.
