MICHELLE'S MAGIC

What a short Sertoma month November was! Hopefully everyone will be geared up for our December

meetings– it is so much fun to see several members at our meetings. At our last Flag outing, we discovered that we need “plugs” for the flagpole holes – so we are going to have a Sertoma Plug-building Pizza Party (thanks Chris for this great idea!) at my home sometime in May. In January, we will look forward to a new member induction and re-education for our current members. We are also hopeful to have Hands & Voices representative visit to discuss how we might assist with their program. Our annual banquet will be held in February again (time and date TBA). We discussed inviting the CF Times or Courier to do a story on our recipient of the Service to Mankind Award, as well as our Sertoman of the Year. I will be chairing a SAFEars committee with Travis Ravn – interested persons please contact me! Vice Presidents this year have officially been named: VP of membership – Donna Brown, VP of Scholarships – Carlin Hageman, and VP of Programs – new member Travis Ravn. They will be contacting you for assistance if needed. Thank you all for volunteering your time and energy! Michelle

BOARD ACTION and BUSINESS MEETING

You should have all received a recent e-mail calling for nominations for the Sertoman of the Year and

Service to Mankind Award recipients. These both needed to be forwarded to the District Governor by December 1st.

We need to proceed with Sertoma International and Foundation Merger action (rewrite Bylaws, sign new Charter, etc.) which is all explained step-by-step in a formal letter from Sertoma International. We will do this early in 2008, maybe February or March. It is due June 30, 2008. Travis Ravn has a friend who may be able to assist if questions arise on what to do. We have officially merged West and East districts.

There will be NO board meeting in December.

A SAFEars committee will be established. It will work to organize upcoming programs and events.

THANK-YOU

Thank you from Bill Robinson for the flowers. He'll be in the hospital for quite some time, but the good news is the infection he is fighting is very treatable.

January 25 and 26, 2008 are opportunities to raise funds for Camp Sertoma at an Ice Fishing Extravaganza. If you are interested in helping please let David Voigts. He needs to turn in RSVP's by January 14th.

Please submit newsletter articles to Editor Donna Brown at gdbrown@cfu.net

Note: to save on postage this newsletter will come via e-mail to those who have it. Hard copies will be available at Tuesday's meeting.
