## ROBERT'S RULES

We have made some critical decisions due to the reduced membership and the difficulty of participation by some of our members. First: we have decided to carry out the flag project for 2007. With maximum possible participation by members, supplemented by assistance from family, friends and neighbors, I am sure we can pull it off. Second: we have decided to make scholarships for Speech and Hearing Students at UNI are primary sponsorship. In the beginning, we will offer three \$1,000 scholarships; one each to a junior, senior and graduate student. We will still be able to contribute to the scouts and other local programs. Third: starting in May 2007, we will meet twice a month on the first and third Tuesdays at noon at Beck's. The Board Meeting will be held on the second Tuesday at the home of a member. The May meeting will be held at my home. This is an important meeting because we have to prepare the budget for next year.

**MAY PROGRAMS - Donna Brown**  
**JUNE PROGRAMS - ????????**

Sertoman Ed Smith was a long-time member of Cedar Valley Sertoma Club. Our condolences go out to his family, especially to daughter Linda, a fellow Sertoman.

Although Ed was not able to be active the last couple of years he will be greatly missed. We are all grateful for the many years of SERVICE he gave to the club.

## BOARD ACTION and BUSINESS MEETING

The board made the decision to create three separate \$1,000 scholarships for the University of Northern Iowa's Communicative Sciences and Disorders department. We will award the three different scholarships to a junior, senior, and graduate student. The members who are a part of that department will make the decision on which students will receive the scholarships. We would like to have their record of grades and SERVICE be a deciding factor in who gets the awards. We will make the decision this Spring so the students can plan for next Fall. We will want to award these scholarships this Fall and present them at one of our meetings if at all possible.

Troy will call around and see how much a storage shed would cost to store our flags when necessary.

A change in meeting frequency will be made starting in May. We will meet the 1<sup>st</sup> and 3<sup>rd</sup> Tuesdays of the month for a noon meeting. The board meetings will be held on the 2<sup>nd</sup> Tuesday in the evening at a member's home.
