BOARD ACTION & BUSINESS MEETING

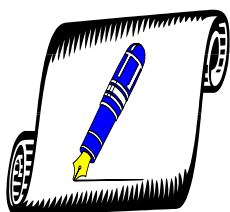

Discussed need to increase membership - decided against contacting other organizations to merge

with; preferred building our club.

Discussed avenue for awarding scholarships to Speech-language pathology students - possibly during our end of the year banquet - or another event in say, Feb.

Discussed offering our Flag project to other non-profit groups (for them to earn some \$, to increase our manpower, and to facilitate new members or even start a collegiate group), especially fraternities and sororities on campus.

*MICHELLE'S
MAGIC*

Hello everyone!

We had great turn-out at our last lunch meeting! Thanks for your attendance, and thanks to Carlin for providing us with a nice overview of Sertoma and what it means to be a member. I was feeling proud to be a part of such a wonderful service organization as I left the meeting. We are looking forward to a fun filled October with three lunch meetings and one board meeting. Oct 2nd we will welcome the East Iowa District Governor, Charles Lindaman. Please see the schedule for the remainder of the programs. We are in the process of reading through the Sertoma Service Scholarship applications right now and they are impressive! It's nice to see our younger generations serving the community so well. Have a great week - see you on the 2nd!
