ROBERT'S RULES

September is the month when we can expect attendance to

increase and stabilize as our working members settle into their professional schedules for the year. So now we need to start inviting friends and acquaintances who may be prospective members. Remember, **OUR GOAL IS NET TEN NEW MEMBERS BEFORE NEXT JUNE 30TH!!!!** We have plenty of money in the treasury to pay for guest meals, and Michelle is doing a great job of lining up quality programs. The rest is up to us. Let's do it.

OCTOBER PROGRAMS –Chris Neuhaus

WELCOME DONNA HANSEN!!!
 More about this new member next month.

BOARD ACTION and BUSINESS MEETING

After Donna's initial contact with Pat Higby (Solar race cars) it was decided to have her give a presentation to our club. Carlin will see if she's available for a September program. If not, Chris has October programs. David Greene (Dec. programs) will contact the Boy Scouts and have them provide an update for us on the use of our funds. The Deaf Services Commission reported that they did not have enough kids for their annual leadership program. We agreed to let them use our \$1,000 for next year's program. Jamie and Jim's kids would also like us to consider making a donation to their cause. They take medically fragile kids on trips to Disney World. We are hoping to invite Donna Hansen (AEA 267) to watch a promotional DVD for Camp Sertoma. We will make that a program soon.
