

Bob Brady - Pitcher

Cherokee Hamm's Beer 1968-1974

Sand Seed Marcus Iowa 1964-1967

Siouxland Sports Sioux City 1975-1977

Career Highlights:

Threw a perfect game vs. Powerhouse Green Bay All Car in the Championship game in Madison, Wisconsin.

Tournament in Sioux Falls, South Dakota. Pitched and won 5 games on the final day of the tournament. Pitched all 35 innings to win the Championship.

Career Batting Average .333 Good hitter with power.

Won over 400 games in his pitching career.

Bob threw hard with great riseballs, excellent change up, and a heavy drop ball. Bob was one of the few that threw a hard cutter. It was a lot like Michael White's and that is saying a lot.

Played in several Iowa State Tournaments in his career.

In my opinion Bob Brady is deserving of being a member of the Iowa Hall of Fame.
