Family

Wife: Jeanette	6 Grandchildren
Children: Lee and Kris	2 Great-Grandchildren

To: State Fast Pitch Hall of Fame Committee

The family of Jack Larson would like your committee to consider our Husband, Dad, and Grandfather for induction in the State Fast Pitch Hall of Fame.

Dad spent 21 years pitching in the Cedar Rapids Major Open League where his name sat consistently atop the pitching stats.

The later years of his career were the most memorable where he pitched for teams like Happitime, Welty-Way, Gohmann Realtors, and Collins Radio.

One of his fondest memories is pitching a 2-0 shutout for Welty-Way in the 1972 National Tournament where he also hit the go ahead home run.

Dad also was a two time Most Valuable pitcher in the State Tournament in 1974, and in 1976 for State Champion Collins Radio.

A tougher competitor would be hard to find when he put the toe to the rubber.

Taking care of his family and winning ballgames were always more important than keeping a drawer full of press clippings and statistics. With that being said, we have compiled a short resume we would like you to use for consideration.

Please consider Jack for induction in the State Fast Pitch Hall of Fame

Thank you

Lee Larson
