

Larry Hendricks

9318 South 112th Avenue East
Reasnor, Ia 50232

I was fortunate enough to play organized fast pitch softball for four decades, 1955 – 1986. Throughout my career I was a pitcher, center fielder, designated hitter. During these 31 years I played in over 2,000 games. As a pitcher I won over 1,300 games while losing about 150. I had over 10,000 strikeouts in my career and 9 no hitters. I also ended my career with a lifetime total of over 2,000 hits and a batting average over .330.

I played my first 3 years of softball with Reasnor, 1955 – 1958. The highlight from those years hitting 18 home runs my final year in a 40 game schedule.

In 1959 - 1961 I played in Newton under 3 different sponsors. Each of these years we participated in the state tournament.

In 1962 I started playing with Sully Lions/Sully Plumbing & Heating and played for them the next 25 years. I believe we missed playing in only 2 state tournaments in those 25 years. We won 2 State Class A Championships, 1 Class B Championship, and finished as high as third in the Open State Tournament.

We played in many leagues over those years. We played in the league at Bomber Park to other leagues closer to home. In one summer league I had 20 wins on the mound and won the league batting championship at .465. I pitched many double headers and one day after getting into the losers bracket in a tournament I pitched 5 games one day.

Thank you for your consideration.

Sincerely

Larry Hendricks
