

The data reported is for the past 15 years. The University of Northern Iowa was approved as a university effective July 1, 1967. The 1967 fall semester is therefore included as a base year. The data is for the fall semester only, except where noted as cumulative data for the mean and median gpa. The undergraduate average grade index increased to 2.94. The average undergraduate load increased to 13.16. These data are extractions from the more elaborate scholarship reports prepared after the close of each semester. More detailed information may be obtained from the Office of the Registrar.
