**January 25, 2012**

### *Budget Process*

Over the past few weeks I have been helping Director Reed put together publicity for the budget process for the coming year. Everything from posters, monitor slides, and pamphlets have been created and/or redesigned for this year.

### *UBS Buyback Promotion Wrap-Up*

Thanks to everyone who sold their books back to the bookstore! Through NISG's partnership with University Book and Supply for their buyback promotion, UBS was able to donate \$1500 to the Volunteer Center of the Cedar Valley. On January 24 representatives from UBS and NISG presented the check to the VCCV.

### *Art and Architecture Committee*

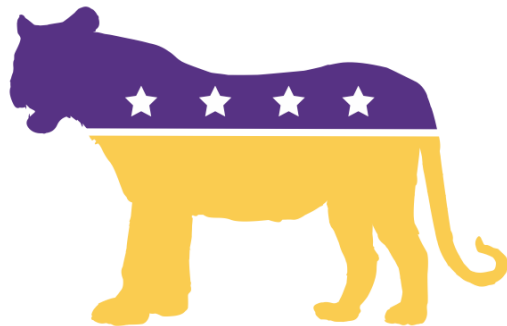

On Monday, January 23 I attended the Art and Architecture Committee meeting. We are currently in the preliminary stages of getting artwork that will be put in Bartlett Hall once it is rennovated. The committee is also patiently waiting for the installation of the piece the committee helped commission for Panther Village.

### *Interviews for Open Supreme Court Positions*

This week I have helped President Walrath and other members of the Executive Branch interview candidates for the open positions in the Judicial Branch.

### *Election Preparation*

Over the past couple of weeks I have been working closely with the Public Relations and Programming Committee to prepare for the upcoming elections. Here's a sneak peek of what we are going to be using on all of the publicity for the elections:

\*I am feeling much better, by the way. I missed you all last week. :)
