

**Membership Application Form**  
**Undergraduate Teacher Education Student Advisory Council (UTESAC)**

The Undergraduate Teacher Education Student Advisory Council (UTESAC) represents the interests of undergraduate teaching majors at UNI and serves as a conduit for information between the students and the Council on Teacher Education.

The UTESAC consists of eight members: two secondary education majors, two elementary education majors, two P-12/special area education major, and two representatives at large. Members may serve until their graduation from the UNI teacher education program. Members must be fully admitted to Teacher Education by the time their term of service begins, have a 2.50 cumulative grade point average or above, and be enrolled in the UNI Teacher Education Program for the duration of their terms. Members are selected by the current UTESAC membership from applications submitted.
